

IMAGINE A PLACE...

UNITING

In the last few years, the church community in Hungary has been working together. Ten denominations and foundations have come together in Spirit and strategy.

INSPIRING

We are working together to transform lives and grow the church through innovative ideas that develop leaders and energize volunteers.

EQUIPPING

One Mission Society's Hungarian foundation, Felebarát Alapítvány, equips local leaders to reach out to the unchurched in their communities.

THE RIGHT TOOL

TRANSFORMATIONAL MINISTRY CENTER

In 2010, One Mission Society Hungary purchased a building in the 14th district of Budapest. This building needs to be renovated and will be developed to meet a wide range of ministry needs.

A design has been approved with maximum flexibility in order to provide many different uses for the space. Activities held in this venue will transform churches, ministries, and lives.

Today, one old chair stands in the center of the floor. It's available ... who will sit in it?

6. Office for Felebarát (Hungarian Foundation)
7. And more . . .

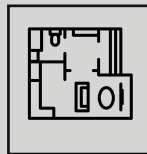

FILLING NEEDS

TRAINING CENTER

Training the church in areas from apologetics to effectively reaching youth will empower leaders to reach their own communities in new ways.

MINISTRY SPACE

Along with our partners, we will conduct a variety of outreach opportunities, including English Clubs, Bible studies, and Celebrate Recovery groups.

FLEXIBLE DESIGN

An open office design will allow office space to double as a safe and comfortable environment to house visitors.

CONVENIENT LOCATION

Space in Budapest is at a premium today. Our building is three blocks from a major transportation hub and easily accessible from anywhere in the city.

HOW CAN YOU HELP?

To make this ministry tool a reality, we must raise **\$80,000** by March 31, 2016, for the renovation. We ask you to prayerfully consider how you can partner with One Mission Society Hungary through your financial support of the Transformational Ministry Center project.
